Nithya is policy and network heavy? Okay, might as well forward it, but it completely a last resort option.

It is policy and networking heavy and likely pays quite well. If it doesn't jive with your politics then don't apply, but I figure it doesn't hurt to apply. If they ask to interview you, even if you say no, interview experience is always good.

As I know there will be some movement amongst staff due to recent elections, I wanted to share this with you and ask that you share it with those that may be looking to pursue new opportunities.

Regards,

Dwayne
